3. Minutes of the Council Meeting held on December 14th 2010.

All in agreement that the Draft Minutes, which had been previously circulated, be approved and signed as a correct record.

4. Clerks Report. Any matters arising from the Minutes.

No items raised.

5. Agenda items for Discussion and Resolution.

(1) Cllrs all in agreement that the Meetings for 2011 should continue to be held on the 2nd Tuesday of each month, with the Annual Parish Meeting to be on April 12th and the Annual Council Meeting to be on May 10th, 5 days after the local elections.

(2) Parish Plan review. This matter first raised at the August 2010 Meeting when concerns were raised over the expense of carrying out a review. As the wider financial situation is still serious these concerns are still valid, however, as an updated plan would be of benefit in any local planning matters affecting the parish all were in agreement that a review be considered. Clerk to ensure all Cllrs have a copy of the current Plan.

(3) Purchase of standby supply of road grit/salt. Cllrs decided that the cost of bagged salt and the need to store supplies at various locations in readiness, outweighed any benefits and duplicated the existing grit bin arrangement which was working well as the bins were, so far, being regularly topped up.

(4) Tarka Housing. Cllrs agreed that the letter to Tarka Housing, previously circulated in Draft form, asking what policies are followed to offer tenants housing suitable to their needs, be despatched to the Managing Director Nigel Barnard, and copied to other interested parties.

6. District Councillors Report.

Andrew apologised for his absence at last months Meeting. The Budget had been disappointing but not disastrous, even so, there were tough decisions to be made. There was some good news, the Government is to give local councils a grant if the council tax is kept within a 2% limit. The Localism Bill is being introduced and the details are being awaited with interest. Andrew was also pleased to say that he had been able to make a grant of £750 to Shebbear Football Club. Chairman thanked Andrew for his report.
